

Road to Equality tour here Tuesday

VIRGINIA — The Women's Foundation of Minnesota will convene a public meeting to share key findings from its latest research report, Status of Girls in Minnesota, for Virginia and the area from 10:30 a.m. to 11:30 a.m. Tuesday in Viking Room II at the Coates Hotel, located at 502 Chestnut Street. The event is free of charge.

A focus group will also be held with community, business and political leaders to gauge their response to the girls' research on a local and regional level, and gather new information on the health and well-being of girls and women in the community. Information gathered from the tour will culminate in a new report of public policy recommendations related to women and girls in Minnesota, to be released late summer 2008.

The event is one of 15 such events held across the Minnesota, as part of the foundation's statewide tour which started April 28.
